## Project Description

According to the Bank's website, the Project Development Objectives (PDO) are to promote (i) the development of inclusive, resilient, and competitive agricultural value chains, focusing on smallholder farmers and agribusinesses, and (ii) improved water supply and sanitation in project target areas.

### Components

Component 1: Improving the business environment for commercial agriculture development

Component 2: Building a productive and climate-resilient agri-food system

Component 3: Mobilizing productive private investments along the value chains

Component 4: Project coordination, monitoring and knowledge management

Component 5: Contingent Emergency Response

Component 6: Improving access to water, sanitation and Hygiene (WASH)

### ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

### ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing [ipanel@worldbank.org](mailto:ipanel@worldbank.org). Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
