## Project Description

IFC is considering a US\$12 million loan in local currency to the Municipality of San Jose (the “municipality” or “MSJ”) to finance (i) the upgrade of three urban corridors with a total of 2.7 kilometers across the city: Transversal 24, Calle 33 and Calle 78, and (ii) rehabilitation and expansion of the rainwater drainage system of the municipality with a total of approximately 3.8 kilometers in the areas subject to frequent flooding (collectively the “Project”).

## Contact Information

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
