Investment Amount (USD)	\$ 45.00 million

Project Description

This IFC investment involves a debt financing and mobilization of senior loans to Azure Power Rooftop (GenCo) Private Limited, based in India. Azure Power Rooftop (GenCo) Private Limited is a subsidiary owned by IFC's existing client Azure Power Global Limited which is a leading solar power company in India and has in-house capacity to undertake engineering, procurement & construction and operations & maintenance services for its solar power plants.

Following are the two proposed objectives of the project:

1. Increasing clean energy production: Contributing to meeting India's energy demand by using an environmentally friendly source of energy.
2. Climate change mitigation: The investment will support clean energy production with associated avoidance of greenhouse gas emissions.

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
