Niger - Project to support climate-change-resilient drinking water and sanitation services in Niamey and Tillaberi (PASEPA)

Quick Facts

Countries	Niger
Specific Location	City of Niamey and Tillabery region
Financial Institutions	African Development Bank (AFDB)
Status	Approved
Bank Risk Rating	A
Voting Date	2023-07-10
Borrower	Government of Niger
Sectors	Water and Sanitation
Investment Type(s)	Grant
Investment Amount (USD)	\$ 1.61 million
Project Cost (USD)	\$ 1.70 million

Project Description

According to the Bank's website, the project's development objective is to improve the living conditions and climatic resilience of poor and vulnerable urban populations in three districts of the city of Niamey and in the Tillabery region. To this end, the project is structured around three components: (i) immediate priority interventions to extend/rehabilitate the water supply network and strengthen resilient sanitation facilities in the city of Niamey, (ii) preparation studies for an investment project in the Tillabery region and the development of tools for integrating climate resilience into WATSAN, (iii) capacity building and project management.

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.afdb.org/en/disclosure-and-access-to-information/request-for-documents>. Under the AfDB's Disclosure and Access to Information policy, if you feel the Bank has omitted to publish information or your request for information is unreasonably denied, you can file an appeal at <https://www.afdb.org/en/disclosure-and-access-to-information/appeals-process>.

ACCOUNTABILITY MECHANISM OF AfDB

The Independent Review Mechanism (IRM), which is administered by the Compliance Review and Mediation Unit (CRMU), is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an African Development Bank (AfDB)-financed project. If you submit a complaint to the IRM, it may assist you by either seeking to address your problems by facilitating a dispute resolution dialogue between you and those implementing the project and/or investigating whether the AfDB complied with its policies to prevent environmental and social harms. You can submit a complaint electronically by emailing crmuinfo@afdb.org, b.kargougou@afdb.org, b.fall@afdb.org, and/or s.toure@afdb.org. You can learn more about the IRM and how to file a complaint at: <https://www.afdb.org/en/independent-review-mechanism/>
