Project Description

According to the ADB, the project will improve food security, enhance agricultural livelihoods, and improve income-generating activities and adaptive capacity of highly vulnerable communities in Armenia. The project will:

- (i) implement climate-sensitive energy solutions in Shirak and Tavush provinces;
- (ii) increase opportunities to access logistics hubs in targeted project provinces;
- (iii) enhance capacities of the Ministry of Economy for climate-smart adaptation planning.

The outcome of the project will be strengthened resilience of vulnerable smallholder farmers through climate-smart agriculture and livelihood diversification. The project will contribute to enhanced food security enhanced and sustainable rural development built on innovation and climate-resilient technologies.

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
