<b>Loan Amount (USD)</b>	\$ 120.76 million

## Project Description

According to the AIIB, the objective of the project is to enhance access to quality medical care infrastructure and services in Kokshetau, Kazakhstan.

The proposed Public-Private Partnership hospital project will design, build, finance, and maintain a 630-bed multi-specialty hospital in Kokshetau, Kazakhstan. The Republic of Kazakhstan, represented by the Ministry of Healthcare (of Kazakhstan), shall act as the administrator for the Project. The total Project agreement period will span over seven years, encompassing a two-year construction phase followed by a five-year operational phase.

The Kokshetau hospital project is located in the Saryarka microdistrict of the city of Kokshetau, Akmola region, Kazakhstan, with an area of 17 hectares and 630 bed capacity. The area under development includes with shopping mall and residential area. Project construction will generate dust, noise, wastewater, and construction waste and will have impact for neighboring community, those impact will be mitigated through implementation of ESAP.

---

### **Early Warning System Project Analysis**

As stated by the AIIB, EBRD has categorized ES risks of the project as Category B (which is equivalent to Category B if AIIB's ESP were applicable) since the E&S risks and impacts are limited, reversible, localized, will mainly occur during the construction phase and are successfully managed by good practices.

---

## ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.aiib.org/en/contact/information-request/index.html>

## ACCOUNTABILITY MECHANISM OF AIIB

The AIIB has established the Accountability Mechanism for Project-Affected People (PPM). The PPM provides an opportunity for an independent and impartial review of submissions from Project-affected people who believe they have been or are likely to be adversely affected by AIIB's failure to implement the ESP in situations when their concerns cannot be addressed satisfactorily through Project level GRMs or AIIB Management processes. Two or more project-affected people can file a complaint. Under the current AIIB policy, when the bank co-finances a project with another development bank, it may apply the other bank's standards. You can refer to the Project Summary Information document to find out which standards apply. You can learn more about the PPM and how to file a complaint at: <https://www.aiib.org/en/about-aiib/who-we-are/project-affected-peoples-mechanism/how-we-assist-you/index.html>

The complaint submission form can be accessed in Arabic, Bahasa Indonesia, Bengali, Chinese, English, Tagalog, Hindi, Nepali, Russian, Turkish, or Urdu. The submission form can be found at: <https://www.aiib.org/en/about-aiib/who-we-are/project-affected-peoples-mechanism/submission/index.html>
