## Project Description

According to the bank's website, "Thailand's leading hotel and commercial property company, Asset World Corp Public Company Limited (AWC or the company - <https://www.assetworldcorp-th.com/>) headquartered in Bangkok.

The company currently has 16 hotels with an aggregate of over 4,600 rooms, 10 retail centers and four office buildings. The assets are geographically diversified throughout Thailand but are featured in prime business and tourist locations in urban areas.

The proposed IFC investment is a green loan of up to THB4.5 billion (approximately US\$137 million equivalent) to fund the following green building projects and working capital (the project):

- Green retrofit and refurbishment with energy efficiency technologies including rooftop solar for Hua Hin Marriott Resort and Spa and heat pumps for hot water for Intercontinental Hotel Chiang Mai and Melia Chiang Mai Hotel.
- Construction of two new greenfield hotels (JW Marriott Marquis Hotel Asiatique Bangkok and Inside Bangkok Sukhumvit)
- Working capital to support the gradual re-opening of AWC hotels following Covid-19-related temporary closures

JW Marriott Marquis Hotel Asiatique Bangkok (800 rooms) is planned for opening after 2024. Inside Bangkok Sukhumvit (208 rooms) is under construction, subject to an uninterrupted incident, generally the construction shall be completed within 36 months from the construction commencement date and will be operated by Melia Hotels International."
