## Project Description

According to bank documents, through the proposed investment, IFC will support the Company's expansion plan consisting of:

- a. expanding its salad production capacity by establishing a new factory in Al-Dahrya;
- b. constructing warehouses and distribution centers in Ramallah, Nablus and Gaza; and
- c. increasing the capacity of the Company's biogas facility in Al-Dahrya.

The Project's salad production facility will be located in Al-Dahrya, a suburban area which is approximately 25km to the south of the City of Hebron in West Bank. The salad production facility will be established on a greenfield site with a total land area of approximately 15,000 sqm. The site was purchased by the Company in 2018. The Project's distribution centers will be located in Ramallah, Nablus and Gaza.

## ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
