## Project Description

This is an advisory services project with Enat Bank and is designed to increase access to finance to the underserved SME and the women markets segment. The development and implementation of appropriate Banking solutions and development of skills will training of staff will contribute to job creation. The proposed project will increase access to finance to SMEs and women-owned businesses in Ethiopia through supporting Enat bank implement a Banking on Women Program. Increased financing for businesses will lead to the creation of more jobs and a reduction in poverty.

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
