Project Description

According to ADB website, the policy and advisory TA will assist the Ulaanbaatar Municipal Government and public transport sector in preparing public transport reforms to be ready for the implementation of the BRT system. The TA is consistent with ADB's interim country partnership strategy 2014 2016, which supports the government's effort to foster good quality public transport and private sector participation. The TA is included in the Mongolia Country Operation Business Plan 2015. The TA is also in line with ADB's Sustainable Transport Initiative Operational Plan by promoting public transport as a main modality for achieving sustainable transport.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
