Project Description

According to the Inter-American Development Bank, this techical cooperation project will focus on the analysis of policy conditions for the institutionalization and susainability of the Conditional Cash Transfer program known as Grants for a Better Life (Bono Vida Mejor or PBVM per its acronymn in Spanish). It will consist of funding the following activities:

(i) analysis of the country's capacity to absorb the financing of PBVM with own resources;

(ii) a proposal for regulations for the operation of the Solidarity Fund seeking to fulfill its original objective of financing the PBVM;

(iii) an analysis of the institutional environment around the generation of information and its use in making policy decisions;

(iv) the design of a impact evaluation that analyzes the impact of different periods of duration of the participants in the program;

(vi) the introduction of analysis of big data for the application of the social registration of the PBVM (through the marking of inconsistent data, for example)

(vii) the design and development of communication strategy that strengthens the implementation of the program;

(viii) the implementation of a mechanism to digitalize the information of the care of to the care of early childhood for the verification of health co-responsibility of the PBVM.

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
