Project Description

According to the IDB Invest, the proposed financing consists of a loan of up to US$125 million for Trabajos Maritimos S.A. (Tramarsa) and Terminal Internacional del Sur S.A. (Tisur) to restructure Tramarsa's and Tisur's existing debt in line with the financial structure planned for the next phase of the Matarani Port Terminal expansion, and to finance the technical, environmental, engineering, and financial studies that will support such expansion.

The objective of the port expansion is to increase its capacity and operational efficiency to handle higher cargo volumes and strengthen regional connectivity and competitiveness by reducing logistics costs and transit times.

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
