## Project Description

IFC will provide advisory services to Cote d'Ivoire's Infrastructure and Natural Resources sectors in delivering inclusive development opportunities for local businesses and communities. IFC advisory can include the following areas: 1) Recommendations on policies, procedures, and strategies that guide projects decision making in areas related to host communities; and 2) Implementation of community development programs. The program will emphasize work with women and youth. Working with infrastructure and natural resource sectors, offers the opportunity to demonstrate how responsible infrastructure and natural resource projects can bring tangible positive benefits to host communities.

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
