Project Description

This project finances the implementation of a holistic approach to improve the health sector that links national planning, monitoring and execution systems with service delivery performance in the health sector with four components. (1) Promoting citizen monitoring of hospital performance; (2) Strengthening performance based incentive program in family medicine through social audits of primary healthcare institution; (3) Creating and enabling an environment for informed public dialogue in health; and (4) Knowledge and learning and project management.

Investment Description

This project is funded by a grant from Global Partnership For Social Accountability and will be implemented over a five-year period to include 70 hospitals and a representative sample of 120 primary healthcare facilities.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: <http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx>.
