### Project Description

The development objective of the project is to increase the utilization of community nutrition and primary maternal and child health services in selected regions in the Recipient's territory.

The AF2 will support new unconditional cash transfers, improvements to quality of care, expansion of food and nutrition security activities, and expansion of social and behavior change communication activities in the MCNHRP (P143650). The MCNHRP is currently being implemented in the five health regions of the country: North Bank Region West (NBR-West), North Bank Region East (NBR-East), Central River Region (CRR), Upper River Region (URR) and Lower River Region (LRR), reaching approximately 477,500 direct beneficiaries.
