## **Project Description**

According to bank documents, the project intends to work with regional banking sector to help build local capacity to reduce non-performing loans, manage risk, and improve SME Banking capabilities through trainings and workshops. The project will help strengthen the resilience of the financial sector and support its growth into SME banking by helping to expand access to finance for smaller companies.

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
