## Project Description

According to the IFC, the objective of this Technical Cooperation is to help the Ministry of Finance, Economic Affairs and Investment (MFEI) of Barbados incorporate climate action into its fiscal policy and management. This TC will finance three activities: (i) the creation of a strategic fiscal agenda that takes into account climate-related fiscal risks; (ii) the integration of climate action into fiscal policy and management, as well as the improvement of the fiscal governance structure associated with climate action; and (iii) the dissemination of knowledge and the sharing of best practices to enhance governance.

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
