Project Cost (USD)	\$ 18.00 million

Project Description

The development objective of Trade and Logistic Services Competitiveness Project aims to improve the efficiency of trade logistics services in Togo. This project has three components. 1) The first component, Strengthening the Logistics Services and the Road Transport Sector, has the following three subcomponents: (i) Improving the Legal and Regulatory Framework for the Transport and Logistics Services Sector; (ii) Building Capacity of the Trade Logistics Services Sector; and (iii) Improving the Conditions to Modernize Trucks. 2) The second component, Improving Trade Facilitation, will provide support for the implementation of the World Trade Organizations (WTO) Trade Facilitation Agreement (TFA) for the improvement of the enabling environment to achieve higher-quality trade logistics services, including the necessary support to enhance the efficiency of customs administrations as well as other border and trade management agencies to improve overall trade facilitation. 3) The third component, Project Management, will provide support to the Project Coordination Unit (PCU) for the coordination and implementation of project activities, including procurement, financial management (FM), monitoring and evaluation (M and E), and reporting

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: <http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx>.
