## Project Description

According to the bank's website, "The Solomon Islands Credit Reporting project will work strengthening the credit information system in Solomon Islands by developing a credit reporting legal and regulatory framework; modernizing the credit reporting system to include comprehensive credit reporting and strengthening the capacity, outreach and awareness of the existing credit bureaus."

---

### People Affected By This Project

The project aims to improve access to credit for individuals and MSMEs in Solomon Islands by helping the country to improve its credit reporting system.

---

## Investment Description

- International Finance Corporation (IFC)

## ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
