Project Description

The overall objective is to strengthen the productive and commercial capacity of the weaving women of the Pastos ethnic group from the Cumbal Reserve, located in the Department of Narino, Colombia, to promote their empowerment and socio-economic inclusion. This goal will be achieved through: (i) the construction and equipping of an artisanal training center; and (ii) the enhancement of the weaving women's skills in financial management, innovation, and marketing.

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
