## Project Description

According to EIB website, this mid-cap guarantee operation will be set up as a risk-sharing instrument under the InnovFin Mid-cap Guarantee facility established within the scope of the Horizon 2020 Debt Financial Instrument targeting research and innovation-driven mid-caps. The guarantee will cover 50% of the credit risk associated with a portfolio of new loans to mid-caps originated by NIBC Bank NV. The guarantee is expected to provide regulatory capital relief to NIBC Bank. It intends to increase the capacity of NIBC Bank to fund innovative mid-caps, as a result of the regulatory capital relief resulting from the issuance of the guarantee.

It will be ensured that this project is implemented in compliance with the EU legislation in terms of environmental and social aspects.

### ACCOUNTABILITY MECHANISM OF EIB

The EIB Complaints Mechanism is designed to facilitate and handle complaints against the EIB by individuals, organizations or corporations affected by EIB activities. When exercising the right to lodge a complaint against the EIB, any member of the public has access to a two-tier procedure, one internal - the Complaints Mechanism Office - and one external - the European Ombudsman. A complaint can be lodged via a written communication addressed to the Secretary General of the EIB, via email to the dedicated email address [complaints@eib.org](mailto:complaints@eib.org), by completing the online complaint form available at the following address: <http://www.eib.org/complaints/form>, via fax or delivered directly to the EIB Complaints Mechanism Division, any EIB local representation office or any EIB staff. For further details, check:

[http://www.eib.org/attachments/strategies/complaints\\_mechanism\\_policy\\_en.pdf](http://www.eib.org/attachments/strategies/complaints_mechanism_policy_en.pdf)

When dissatisfied with a complaint to the EIB Complaints Mechanism, citizens can then turn towards the European Ombudsman. A memorandum of Understanding has been signed between the EIB and the European Ombudsman establishes that citizens (even outside of the EU if the Ombudsman finds their complaint justified) can turn towards the Ombudsman on issues related to 'maladministration' by the EIB. Note that before going to the Ombudsman, an attempt must be made to resolve the case by contacting the EIB. In addition, the complaint must be made within two years of the date when the facts on which your complaint is based became known to you. You can write to the Ombudsman in any of the languages of the European Union. Additional details, including filing requirements and complaint forms, are available at:
