Project Description

According to EBRD project information, bank provides US\$ 40 million ("Loan") to Joint Stock Commercial Bank UzPromStroyBank (UzPSB) for a three years with a purpose of further proceeds to qualified private small and medium sized enterprises ("SME") in line with the Policy Statement.

The Loan will enable UzPSB to diversify its portfolio, which is currently skewed toward large corporate clients, helping it to achieve a more balanced structure. It will also contribute to the expansion of the bank's SME client segment, including via reaching new clients and regions outside of Tashkent. Moreover, the Loan will further competition in the real economy by increasing availability of financing to the Uzbekistan's SMEs and, thus, supporting lending continuation to one of the segments most impacted by the COVID-19 crisis.

The Loan seeks to:

- Foster SME competitiveness by increasing availability of financing;
- Contribute to the competitiveness of UzPSB by helping improve innovation in strategy; products, processes and marketing related to SME lending;
- By ensuring that UzPSB has adequate underwriting and risk management practices in place;
- It also seeks to encourage sustainable lending practices, supporting the resilience of the financial system.
