## Project Description

The proposed operation will be implemented as a hybrid Multi-Donor Trust Fund, involving Recipient-Executed and Bank-Executed activities for a tentative amount of USD 5.6 million. Presently, the European Union has agreed to finance this Trust Fund, while other donors are expected to join in at a later stage and support activities under the umbrella of the PAR and PFM Strategies.

The Trust Fund activities will be grouped in two components:

Component 1: Strengthening Human Resource and Payroll Management Function through the design and implementation of a human resource management information system and consolidation of the state employee payroll; and

Component 2: Strengthening Public Financial Management through improved cash flow forecasting and development and approval of the PFM ICT Strategy.

## ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing [ipanel@worldbank.org](mailto:ipanel@worldbank.org).

You can learn more about the Inspection Panel and how to file a complaint at:
