### Project Description

According to the World Bank, the goal of the project is to build government capacity for recovery planning and oversight and to pilot knowledge building, recovery and peacebuilding activities in response to the ongoing conflict and displacement crisis in Ukraine.

The project has the following components:

Component 1- Building capacity of the State Agency for Donbas Recovery to plan, coordinate and monitor/evaluate recovery efforts

Component 2: Building knowledge on the socio-economic impacts of forced displacement and combatant return

Component 3: Piloting activities to respond to the development challenges of displacement
