### **Project Description**

This project upgrades power generation and distribution systems, including the construction of a 120-megawatt hydropower plant. It is also financing new energy efficient power generation equipment at existing plants; new distribution lines and substations; and financial management training and other support for staff of state power companies, Assam Power Generation Corporation and Assam Power Distribution Company. The program is supporting the construction of the Lower Kopili run-of-the-river hydropower plant in central Assam.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
