Project Description

PROJECT DESCRIPTION

The provision of a sovereign loan of up to EUR 46.2 million ("Loan") to the Kyrgyz Republic ("KR"), for the benefit of the Ministry of Transport and Communications of the Kyrgyz Republic (MoTC), for the rehabilitation of the 32 km section of Tyup-Karakol road, located in the eastern part of KR along the northern shore of Issyk-Kul Lake.

PROJECT OBJECTIVES

The proposed project is an integral part of a longer 216.7 km Balykchy - Karakol Road rehabilitation programme, which in turn is the northern part of the Issyk-Kul Ring Road. Remaining 184.7 km were financed by the KR and Islamic development financial institutions.

The EBRD Loan will include financing of the road rehabilitation works and contract supervision services. After the Project completion, the whole Balykchy-Karakol Road should comply with the Category II international technical standard.

The Project will close the remaining infrastructure gap on 440 km long Issyk-Kul ring road which is part of CAREC 1 corridor and is one of the six priority transport links identified in the national Road Sector Development Strategy 2025, to foster economic development and connectivity as well as strengthen the KR's integration into regional markets.

TRANSITION IMPACT

Inclusion (primary):The Project will promote gender equality in transport and labour policies through concerted policy dialogue. EBRD's policy support will focus on (1) removing restrictions on women's employment in the transport and construction sectors; and (2) supporting the MoTC with the preparation of an inclusive transport strategy.
Resilient (secondary): The Project will improve the quality of road maintenance operations by the MoTC through the increased road maintenance funding, enhancing necessary institutional capacity and strengthening associated procedures in KR.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at:
