## Project Description

According to the bank's website, Horizon Capital Growth Fund II, L.P. is a private equity fund investing in Ukraine-based assets, managed by Horizon Capital. The funding objective is to support the first such secondary transaction in Ukraine to provide existing investors, including FMO which made a \$20 million commitment to EEGF II in 2008, the opportunity to continue to back the portfolio for a period of up to 5 years plus two one-year extensions. The portfolio continues to be managed by Horizon Capital and benefits from significant additional follow-on capital raised during this process.

### ACCOUNTABILITY MECHANISM OF FMO

Communities who believe they will be negatively affected by a project funded by the Dutch Development Bank (FMO) may be able to file a complaint with the Independent Complaints Mechanism, which is the joint independent accountability mechanism of the Dutch Development Bank (FMO) and the German Investment Corporation (KfW). A complaint can be filed in writing, by email, post, or online. The complaint can be filed in English or any other language of the complainant. The Independent Complaints Mechanism is comprised of a three-member Independent Expert Panel and it can provide either problem-solving, compliance review or both, in either order. Additional information about this accountability mechanism, including a guide and template for filing a complaint, can be found at: <https://www.fmo.nl/independent-complaints-mechanism>
