## Project Description

The general development objective of this project is to contribute to ensuring minimum levels of quality of life for vulnerable persons amid the crisis caused by COVID-19. The specific objectives are to: (i) support minimum income and employment levels for those affected by the coronavirus in the immediate period and during the recovery; and (ii) preserve the human capital of those affected by the coronavirus crisis.

## Investment Description

- Inter-American Development Bank (IADB)

## Contact Information

*\*Project contacts not provided at the time of disclosure.\**

### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
