Project Description

This intervention focuses on Abia State Integrated Infrastructure Development Project (ABSIIDP) Preparation Studies. This is a priority project for the state of Abia and the Federal Government of Nigeria. These studies will facilitate the assessment of the feasibility, detailed engineering design, and preparation of tender documents for the execution of the roads, solid waste management, and the gully erosion works components of the Abia State Integrated Infrastructure Development Project. The expected outputs of the study will include; (i) feasibility study reports, (ii) detailed engineering design reports that cover design, soils/materials investigation, hydrologic/hydraulic design, environmental and social impact assessment (ESMP), drawings, specifications, and bidding documents for the execution of the various roads, and solid waste management components of the project.

The objective of the project is to undertake feasibility studies, detailed engineering design, and preparation of tender documents for the priority roads, together with storm water drainage, and waste management components of the project.

The main beneficiaries are the State of Abia and the Federal Republic of Nigeria.

ACCOUNTABILITY MECHANISM OF AfDB

The Independent Review Mechanism (IRM), which is administered by the Compliance Review and Mediation Unit (CRMU), is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an African Development Bank (AfDB)-financed project. If you submit a complaint to the IRM, it may assist you by either seeking to address your problems by facilitating a dispute resolution dialogue between you and those implementing the project and/or investigating whether the AfDB complied with its policies to prevent environmental and social harms. You can submit a complaint electronically by emailing crmuinfo@afdb.org, b.kargougou@afdb.org, b.fall@afdb.org, and/or s.toure@afdb.org. You can learn more about the IRM and how to file a complaint at <https://www.afdb.org/en/independent-review-mechanism/>.
