## Project Description

This is an SME Banking Advisory Services project with Co-operative Bank and is designed to increase access to finance to the underserved SME market segment. The AS will design and deliver SME related processes, procedures and products and train bank staff to effectively serve the segment.

---

## People Affected By This Project

The SME sector plays an important role in creating sustainable economic growth in most emerging markets like Kenya. The 12 month project is expected to increase access to finance for the Cooperative Banks SME and Women markets clients through strengthening the Banks capacity to serve them.

## Contact Information

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
