### **Project Description**

According to ADB website, this TA intends to support the next round of the International Comparison Program (ICP) in Asia and the Pacific region by coordinating all activities related to the collection of prices until calculation of purchasing power parities and related aggregates for participating economies in the region. It is expected that all 23 economies that were part of ICP 2011 will also be part of the next ICP round. This TA has "A" category and safeguard categorization is not applicable according to ADB documents.

No contact information provided at the time of disclosure.

## ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
