## Project Description

Long Hill Capital Venture Partners 1 LP is a venture capital fund which focuses on health and consumption services investments in China. The Fund aims to provide capital to early stage services-oriented companies. IFC would be investing in the Fund with established institutional investors.

### Expected Development Impact

- (1) Private sector development: The Fund will help support the growth of the venture capital and private equity industry in China, and potentially support the expansion of Chinese companies, especially in health services and consumer sectors.
- (2) Improved outcome in healthcare services in China: The Fund will invest ~75% of its capital in healthcare services and help the Chinese population reach more adequate and higher quality care.
- (3) Financial Success: Evidenced by the Fund's investment return (net IRR) and the Manager's ability to raise successor fund.

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
