## Project Description

In order to support ENDA Tamweel to implement a new and integrated MIS system, IFC will provide coaching and advice as the MFI undertakes five key activities related to procuring and implementing its new system:

1. Gap Analysis,
2. Determination of Cost of Modifications,
3. Contracting,
4. Data Migration, and
5. Testing

---

## Investment Description

- International Finance Corporation (IFC)

## Contact Information

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
