Project Description

The project will support the adoption of digital financial services (DFS) by 1) providing policy support for Government-to-person payments and the cash-lite economy in both public and private sector; 2) supporting the Bank of Ghana on their supervisory and data management capacity; 3) Fostering industry dialogue; 4) Building market awareness on the DFS ecosystem and business case; 5) Providing technical assistance to one mobile network operator and one financial institution to improve performance, and 6) developing interoperability Scheme rules for the market.

Investment Description

- International Finance Corporation (IFC)

Contact Information

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
