Uzbekistan: Karakalpakstan and Khorezm Local Roads Network Reconstruction Project

Project Description

According to the AIIB, the objective of the project is to enhance climate resilient and inclusive road transport connectivity to markets and services in the Republic of Karakalpakstan and the Khorezm Region of Uzbekistan.

The Project will rehabilitate and reconstruct 647 km of local roads in the Republic of Karakalpakstan (encompassing 28 road sections spanning 414 km across 14 districts) and in the Khorezm Region (21 road sections covering 233 km across 10 districts).

The Project aims to enhance connectivity among communities by integrating specific local roads into both international and regional road networks. This integration will grant local communities improved access to vital social services and promote economic development. This initiative will significantly contribute to the creation of a reliable and secure internal and regional transportation network within the regions.

The implementing agency will be the Committee for Roads under the Ministry of Transport of the Republic of Uzbekistan.

Investment Description

- Asian Infrastructure Investment Bank (AIIB)

According to the AIIB, the Government of Uzbekistan will contribute to the project with an investment of US$ 37.1 million.

ACCOUNTABILITY MECHANISM OF AIIB

The AIIB has established the Accountability Mechanism for Project-Affected People (PPM). The PPM provides Òan opportunity for an independent and impartial review of submissions from Project-affected people who believe they have been or are likely to be adversely affected by AIIBÕs failure to implement the ESP in situations when their concerns cannot be addressed satisfactorily through Project level GRMs or AIIB Management processes.Ó Two or more project-affected people can file a complaint. Under the current AIIB policy, when the bank co-finances a project with another development bank, it may apply the other bank's standards. You can refer to the Project Summary Information document to find out which standards apply. You can learn more about the PPM and how to file a complaint at: https://www.aiib.org/en/about-aiib/who-we-are/project-affected-peoples-mechanism/how-we-assist-you/index.html

The complaint submission form can be accessed in Arabic, Bahasa Indonesia, Bengali, Chinese, English, Tagalog, Hindi, Nepali, Russian, Turkish, or Urdu. The submission form can be found at: https://www.aiib.org/en/about-aiib/who-we-are/project-affected-peoples-mechanism/submission/index.html
