Project Description

According to the bank document, IFC will provide transaction advisory support to the Government of Cambodia to assist in implementing the Sihanoukville Logistics Hub Project.
IFC will help develop a sound business case for the project.

Subsequently on government's approval, IFC will develop the transaction structure and tender process for the project to competitively select a qualified private sector player(s) to implement the project.

The objective of the project is to provide PPP transaction advisory support to the Government of Cambodia, through jointly the Ministry of Public Works and Transportation and the Ministry of Economy and Finance, to structure and tender a PPP to develop a port logistics hub within or linked to the Port of Sihanoukville. The project is expected to deliver value-adding logistic services to improve the quality of goods/commodities passing through the port and in the logistics complex, with the goal of supporting Cambodia to improve export competitiveness and economic diversification.

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org/
