## Project Description

According to the bank website, "This project aims to deliver on three key components:

1. Develop a strong evidence base to enable data based policy reform- this will include two assessments - (i) a gap analysis of unmet demand and supply of financial services in Nepal in the context of federal structure of Nepal as well as (ii) a well-defined MSME Finance strategy - as a follow up to key FSAP and CPSD recommendations. Support will also be extended to the authorities in the implementation of a number of key policy recommendations and initiatives based on the gap analysis and MSME Finance Strategy to be developed.
2. Policy implementation support for enabling financial infrastructure and digital platforms
3. Development and roll out of new & innovative instruments for MSME Finance"

## ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
