## Project Description

In December 2017 IFC signed a Project Services Agreement with Heineken in Ethiopia to improve the quality and quantity of smallholder-based malt barley production.

The two year project (2018-2019) will focus on

- (a) improving the productivity of 40,000 smallholder farmers through agronomic training and the distribution of high yielding seed varieties,
- (b) building the business management capacity of around 80 malt barley aggregators
- (c) investigation of farmer financing models, and
- (d) supporting a multi-stakeholder working group to realize Ethiopia's potential as a regionally competitive malt barley producer.

The project should result in an additional annual production of 100 000 metric tonnes of barley for both food uses and further processing.

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
