Project Description

According to ADB website, the objective of this TA is to assist the PRC in preparing the 13th FYP to overcome the middle income trap and achieve more inclusive and sustainable development. The scope of this TA includes a background analysis of the PRC's current development and challenges, socio-economic structure, growth potential, internal and external forces that are likely to drive change in the next 5 years. ADB's knowledge contribution towards the PRC's preparation of the 13th Five-Year plan will be made, not only through this particular TA, but also through many other recent, ongoing, and planned knowledge work by various "knowledge producers" within ADB.

The impact will be achieved more inclusive and sustainable development and overcome the middle income trap.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
