### **Project Description**

The project supports the improvement of Sanitary and Phytosanitary measures (SPS) in Mongolia in compliance with the World Trade Organization (WTO) Agreement on the Application of SPS measures. The improvement in the SPS system is an essential prerequisite for Mongolia to increase agriculture and food trade and diversify its economy. The project addresses this issue through upgrading of laboratories and inspections facilities, strengthening inspection management systems, and aligning SPS controls and inspections with international standards.

#### ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
