---

## Project Description

The project will facilitate the development of a modern secured financing system in Ghana by focusing on the following three areas: (i) Support the Government to strengthen the legal and regulatory framework for secured transactions by amending the Borrowers and Lenders Act (ii) Support the enhancement of the electronic centralized collateral registry for security interests in movable property and (iii) train, build capacity and awareness directed to the main group of public and private stakeholders on movable asset-based lending.

## Contact Information

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
