## Project Description

According to the bank document, the project as the transaction technical assistance facility (the F-TrTA) will provide project preparation support to a series of ensuing projects, comprising the Green Finance Catalyzing Facility (GFCC), the public-private partnership (PPP) Demonstration II for elderly care (EC), the Jilin Yanji Urban Development, and the Multimodal Passenger Hubs Development.

All ensuing projects involve investments in green and low carbon infrastructure and elderly care, key strategic priorities for both the government and ADB. This F-TrTA is listed in the country operations business plan (COBP), 2017- 2019, for the People's Republic of China (PRC).

## ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
