## Project Description

According to the EBRD, the project consists of a senior unsecured loan of up to EUR 25 million equivalent (available in EUR or TRY) with up to 3-years maturity structure for QNB Finans Leasing, for on-lending to sub-borrowers implementing green economy investments including, among others, energy efficiency, renewable energy and climate resilience measures under the Turkiye Green Economy Financing Facility II ("GEFF II").

QNB Finans Leasing will use the proceeds of the Bank`s investment to provide lease financing to sub-borrowers implementing green economy investments, in a gender responsive way, in line with the GEFF II Framework's technical eligibility criteria as defined in the Policy Statement, forming an integral part of the financing agreements. Funds may also be on-lent to vendors and producers of eligible technologies covered by the Green Technology Selector for Turkiye. In addition, QNB Finans Leasing may finance eligible sub-borrowers that are certified according to recognized sustainability certification systems.

## ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: [pcm@ebrd.com](mailto:pcm@ebrd.com) or you can submit a complaint online using an online form at:
