---

## Project Description

According to the bank website, "The proposed transaction is a THB 3 billion investment (approximately \$95 million equivalent) cornerstone investment into Energy Absolute's ("EA") maiden THB10 billion certified green bond issuance. The bond's proceeds will be used for the refinancing of EA's 260 MW Hanuman Wind Farm in Chaiyaphum Province in northeastern Thailand, which achieved COD in April 2019."

### ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
